Description

Ilco 457-02 Storefront Hardware Paddle, Push to Left, ADA Friendly, Doggable, Finish Aluminum

SKU: 457-02-00-628

Overview: An alternate to knob or lever handles. Push or pull paddle in the direction of the door swing to unlatch mortise dead latch lock. The 457 Series is ergonomic and ADA friendly; providing additional clearance between the handle and door escutcheon. The dogging feature is activated by turning the dogging screw located on the top of the paddle with the hex key (included) in the escutcheon; holding the paddle down and leaving the door free-swinging.

Type: Push / Pull Paddle ADA Friendly & Dogging

Use: For use with ILCO 451 & 452 Deadlatch or Adams Rite Style narrow stile mortise dead latch.

Door Thickness: 1-3/4? (44.45 mm)

Escutcheon Dimensions: 1-3/8? x 4? (34.93 mm x 101.6 mm)

Handing: Push to Left — Field Reversible

Finish: Aluminum

- Corrosion resistant extruded aluminum construction
- Escutcheon is zinc alloy with black hard coat finish
- 2 Double spring escutcheon construction for durability
- Self-adhesive Push or Pull decals included
- Binder post insures secure attachment of the Push/Pull handle to the door
- Available in four operation modes (Pull Left, Pull Right, Push Left, Push Right)

- Field reversible handing using Push/Pull feature and cam plug (CP456) included
- Cycle testing exceeds ANSI Grade 1 standards
- Mounting Hardware, Hex Dogging Key and cam plug included
