Description

HPC Small Half Ball Spring Steel Pick With Stainless Steel Handle .022 Thick - HP BPX-61

SKU: HP BPX-61

Type: Ball

Weight: 0.022 in

Overview: Balls are also used for raking and are available in several different patterns

HPC Picks are made with the finest grade spring steel, and are stamped with the grain, ensuring a strong and flexible pick. This fine grade Spring steel has a stainless steel handle that gives the user the slightly heftier feel preferred by many locksmiths.
