- [Technical Data](#)
- [Accessories Provided](#)

- Portable, mobile duplicator for edge-cut keys. Flash Mobile is a battery-operated version of the popular Flash 008 machine that makes it truly a "mobile" machine. The 24V battery allows the machine to operate at 2200 RPM and will cut 300+ brass keys in a single charge.
- ? Designed to cut typical residential, commercial and automotive keys including those with large bows or long blades as well as tip stop and flip-type keys.
 - ? Four jaw positions easily clamp virtually all edge cut keys present on the market
 - ? Clamps are nickel plated to provide long life
 - ? Space-saving solution for fixed or mobile use
 - ? Rotating knob ensures precise horizontal movements
- Power Supply: 24V battery

Battery Capability: 2950mAh lithium-ion

Battery Life: 300+ brass keys in a single charge / LED indicator for monitoring battery charge status

Cutter Motor: 120W, 2200 RPM +/- 10%
