### Description

Ilco Duo Plus Manual Operation-Edge,Bit,Flat,Abus and Abloy Keys

SKU: - IL DUO PLUS

- [Overview](#)
- [Features](#)
- [Technical Data](#)

- Duo Plus is a multi-function, manually operated machine that duplicates edge cut keys, bit, double bit, Abus? and Abloy? style keys.  
The Duo Plus is a dual carriage machine that cuts cylinder, vehicle and cruciform keys (left-hand carriage) as well as bit, double bit, flat style (safe, safety deposit, mailbox) and special keys such as Abus? and Abloy? type keys (right-hand carriage).
- ? The tilting mechanism makes it possible to make excellent flares on bit and double bit keys  
? Innovative carriage release system for free-moving or regulated carriage  
? Four-sided revolving clamps on the left side for edge cut style  
? Two/three sided revolving clamps on the right for Abus? and Abloy? type keys  
? Cut-out switch that triggers automatically should power fail

? LED lighting illuminates work area

? Large swarf tray
