Description

Thin Diameter Pegboard Hook. Standard pegboard hooks are made from .148in, 9 gage wire. There are many keys in the market where the chain hole is smaller, so you just can't hang them on standard hooks. Rather than using small diameter nails, now there is an alternative from Ilco that will solve the problem in most cases; a thinner (.120in, 11 gage) diameter galvanized wire 2in long pegboard hook
