- Abus Lock 787C KeyGarge? offers secure storage of keys and code cards.

With KeyGarage?, ABUS offers an intelligent and secure solution for storing keys. Secured by an individually set code, the strong steel plate housing protects keys and code cards against unauthorized use.

If you need to make your keys accessible to other people, the KeyGarage? presents a simple and secure solution to do so. All that is required is giving the code to those people that should be given access. As people enter or leave this group, the code can be changed quickly and easily ? 10,000 different codes are possible. KeyGarage? is therefore the ideal solution if you want to let craftspeople, housekeepers, or nursing staff into your house while you're away
