Description

Simplex 902 Mechanical Pushbutton Deadbolt Auxiliary Lock - Satin Brass - 9020000-04-41

SKU: - 9020000-04-41

- [Overview](#)
- [Features](#)
- [Technical Data](#)

- Simplex Mechanical Pushbutton Locks eliminate problems and costs associated with issuing, controlling, and collecting keys and cards.

Mechanical pushbutton lock provides fully mechanical access control, while allowing free egress at all times by interior thumbturn. Deadbolt models must be manually relocked. Deadlocking spring latch models automatically relock each time the door closes. This fully mechanical lock eliminates the material and labor expense of battery replacements, has a single access-code and is programmed via the keypad without removing the lock from the door.

- Battery: No Battery: Fully mechanical lock eliminates the material and labor expense of battery replacements

Locking Device Options: Deadbolt-1" throw- must manual relock

Number of Codes: Single access code — one easy-to-manage code for all users

Programming: Lock is easily programmed via keypad without removing lock from the door

Handing: Field reversible latch; invert the lock for right-hand doors; roman numerals are easily read in either orientation

Key Override: NO — Available as option on Model 906 - special order

Operation Mode: Single pushbutton access code

Economical: A cost effective access control solution

- Construction: All metal cast front housing, force-resistant, clutch-protected thumbturn, metal exterior trim plate

Door Thickness: 1-3/8" - 1-1/2" (35mm - 38mm)

Numeric Keypad: Vandal resistant, solid metal pushbuttons

Hanging: Field reversible latch; invert the lock for right-hand doors; roman numerals are easily read in either orientation

Backset: 29/16" (65 mm) for outswing doors, 2 7/8" (64 mm) for inswing doors

Latch: 1" (25 mm) throw deadbolt, manual relock

Strike: Includes strike plate for outswing doors, cast box strike for inswing doors; metal door frames require the optional surface mortise box strike or use of an adapter kit

Durability: Weather resistant

Warranty: 1-year Warranty

Standard Finishes: Satin Chrome 26D (626)

Items Supplied: Lock assembly, Installation manual, full-scale template, strike for inswing and outswing doors (appropriate to latch type), and required installation hardware.

Weight: 4 lbs. (1.8 kg)
