Description The American Lock No. A8118KA Hardened Steel Tubular Cam Lock, Keyed Alike ? multiple locks open with the same key - features a 7-pin tubular cam and inner cylinder lock to provide outstanding security and is designed to deter picking, making this lock ideal for office equipment such as cabinets as well as laundry facilities, vending machines or arcade coin boxes. Offering more than 50,000 key changes, the padlock meets the NAMA requirements. The cam itself acts as a locking bolt and is directly operated when the key turns the plug.
